## Parent's responsibility for their child's Religious Education

The most important aspect of your child's faith learning experience is fully **participating in the Mass on Sundays and Holy Days of Obligation**. In order for your child to understand what is being taught in the Wednesday program and to participate in the discussions, it is important that your child attend Mass. **By signing this registration form, you are agreeing to make every effort possible to attend Mass with your child.**

We are also asking all **parents to be involved in their child's religious education on Wednesdays**. It is in the home that children first learn about their faith and we want to continue the teamwork of home and church. Parents are asked to **volunteer at least one time in their child's classroom over the course of the year**. The parent will need to coordinate this with the child's teacher. The parent may want to help teach the week's reading, organize an activity or craft that supports the lesson or share a faith experience – whatever works for the parent and the teacher. Please consider helping in this important part of your child's faith education.

**Blessed Sacrament Church supports the Safe Environment program mandated by the diocese.** Every child will be required to watch an age-appropriate video and will have the opportunity to ask questions after the video presentation. By registering your child in Religious Education, you are consenting to allow your child to participate in this program. More information will be sent home at a later date.

**I have read the above terms and agree to abide by them.**
